

Elite Silent

Elite-Silent is a self-contained extractor for carpet and hard floor with manual traction. It washes, brushes and dries a stripe of 50 cm of carpet, moving forward, cleaning up to 500 sq. meters in one hour. Its 3 stage high-waterlift vacuum system allows to recover the maximum quantity of dirt from carpet and to get a shortest drying time.

Elite-Silent is a very silent machine, since it works with 60 Decibels only. It is possible to adjust the brush and vacuum head pressure, according to the type of carpet. The water-flow can be regulated, for a maintenance low-moisture cleaning or a restoration deep-cleaning. Elite-Silent can be supplied with the instant hot water unit HT1800. If equipped with the patented SMARTKIT system, it is possible to perform automatic chemical dosing, carpet pre-spraying and rinsing. The optional squeegee SQ720E allows to clean hard floor. An extra brush, specific for hard floor cleaning, is also available.

ELITE SILENT		
Recovery tank capacity	Liter	50
Solution tank capacity	Liter	50
Vacuum motor		Three stages (High waterlift)
Power	Watt	1500
Maximum waterlift	mm H2O	3400
Maximum air-flow	L/sec	45
Pump with bypass		Membrane
Power	Watt	80
Maximum pressure	bar	9
Maximum water-flow	L/min	4.5
Cleaning width (carpet/hard floor)	mm	500/720
Number of nozzles		5
Brush		1x100W, 600 RPM, 464mm
Max. performance	m2/u	500/1500
Cable length	Mtr.	15
Hose length		optional
Weight (machine body)	Kg	55
Weight (packaged machine)	Kg	60
Dimensions LxBxH	cm	50x86x95
Package dimensions	cm	42x104x96
Standard colors		Blue
Tank construction		High density polyethylene
Suitable to work with heater		Yes
